## Attempted assassination attempt on Clinton and Obama?

### Bomb found at Clintons and Obamas

Washington, 24.10.2018, 18:39 Uhr

**GDN** - Hillary and Bill Clinton's estate in New York State discovered a letter bomb on their property on Wednesday. Also at EX US President Barack Obama, who resides in Washington D.C. has, a bomb was discovered. This is reported by the US media and the news agency AP.

The New York Times reports that a Clinton clerk who looks after the post discovered the suspicious explosive object. However, the explosives found are not in the hands of the Clintons or Obama in their "hands" because they have noticed security checks of the post.

The office of the US station CNN was evacuated. The reason for this action was that a suspicious package was also found at the renowned US station (source: CNN).

The Secret Service and the FBI were busy investigating these incidents.

On Tuesday, a letter bomb was found at the residence of billionaire philanthropist George Soros. Another employee of the billionaire had discovered the explosive device in the mailbox of Soros in Bedford north of New York. The billionaire was not at home.

The explosive device was detonated in a controlled manner by US specialists. According to the New York Times, the bomb had similarities to the Clintons.

German Daily News journalist Dennis Andresen condemns these attempted assassinations as perfidious and nefarious.
